

July 27, 2020

To the supporters of the Daytona Beach Symphony:

As President of the Daytona Beach Symphony Society it is my responsibility to inform you that the Daytona Beach Symphony Society Board has voted not to present the 2020-2021 season of the Daytona Beach Symphony at this time.

Season subscribers who have purchased tickets will be contacted by Christine Gerhardt, Managing Director of the Symphony, regarding refunds/donations.

Planning for the 2021-2022 season is underway. We have an exciting lineup to *bring classical music and people together*.

Please help preserve our Symphony. Remember, your support has never been more important!

Let the music continue,

Sandra Keith Gosch
